Dear Parent/Carer,

RE: Curriculum and Assessment Information Presentations

Please be aware, years 8, 9, and 10 curriculum and assessment information presentations are now available to view within the parents and students tab on the academies' websites or by clicking on the links below.

Year 8 – [Year 8 Assessment Information Evening 2023 - YouTube](#)

Year 9 – [Year 9 Information Presentation - YouTube](#)

Year 10 – [Year 10 Information Evening 2023 - YouTube](#)

[Professional studies information presentation - YouTube](#)

We would advise both our students and parents to familiarise themselves with the key information provided within these presentations. The presentations will highlight a variety of key information needed throughout this academic year, such as key dates, core curriculum information and how you can support your son/daughter during the year.

There is also an additional presentation relevant to year 10 students, and their parents/carers, that gives further information regarding the professional studies courses, including BTEC Sport, BTEC Travel and Tourism, Hospitality & Catering and Performing Arts.

We hope you find the presentations useful and informative. If you have any questions following the presentations, please use the email address provided below to contact Hayley Parsons for year 8 queries or Samuel Lanahan for year 9 or 10 queries.

Yours sincerely,

Samuel Lanahan
