Dear Parents and Carers

‘Outstanding’ Ofsted Judgement

As you may be aware, Ofsted visited Winton Academy in May to carry out an inspection. Following this, we are very pleased to let you know that the inspectors judged that the school continues to be ‘Outstanding’.

The school was last inspected by Ofsted in 2018, so it is gratifying that it has managed to maintain the exceptional standards of teaching and learning that inspectors were so impressed by six years ago. Their report is full of praise for the academy and is testament to the excellent efforts of students and staff which make Winton Academy such a wonderful place to learn.

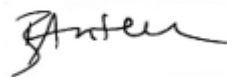

We would encourage you to read the full report which is now available on the school website. In the report, inspectors praised the school for being *“highly ambitious for all pupils”*, who they described as *“excellent learners, highly effective communicators and compassionate individuals”*. This means that students leave the school equipped with *“impressive qualifications”* which prepare them well for the next stage of their studies or careers, and as *“well-informed and active citizens”*.

Thank you for the important role you play in your child’s education and for the valued contribution you make to the school community. May we wish you a successful and enjoyable remainder of the term.

Yours sincerely

Sir Jon Coles
Chief Executive

Ben Antell
Director of Secondary Academies
