Dear Parent/ Carer,

**Re: Year 10 Homework**

In order to ensure workload for students is distributed evenly throughout the week, year 10 students will be set homework for their subjects according to the following homework timetables.

	English	Science	Maths	Ethics & Options
Day Set	Monday	Tuesday	Wednesday	Monday
<b>Recommended Completion Day</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Monday/ Friday</b>
Day Due	Friday	Tuesday	Monday	Monday

As you can see from the timetable, for each piece of homework there is a day that the homework will be set, a recommended completion day and a day that the homework is due. We would really encourage students to complete homework on the recommended completion day so that workload is spread out and students can engage with each piece of homework to the best of their ability.

As in previous years, homework detentions will be set for homework that is not completed to the required standard by the due day. This year, we will continue compulsory homework club to further support students with independent learning. Specifically, students that receive multiple homework detentions during a half term will be required to attend compulsory homework club 3 – 4pm Monday to Thursday. During the homework club, students will follow the same timetable as the recommended completion day shown in the table above and there will be subject specialists on hand to support students. Should your son/daughter need to attend this club, you will receive a letter with further details.

We hope you will support us in ensuring your son/daughter positively engages with their homework. If you have any questions, please do not hesitate to get in touch.

Yours sincerely,

Samuel Lanahan  
Assistant Principal
