Dear Parent/Carer,

Re: Meet the Tutor Evening

We are delighted to be able to welcome you and your child on site for our Meet the Tutor event on Thursday 5th October. The evening is an excellent opportunity for students and parents to meet their new tutor and to discuss the start of secondary school life. The tutor is the person who students spend every morning with when they arrive to school and is a point of contact for you in school. This event will allow you to hear from them about how your child has been getting on in the first few weeks of this new academic year.

Tutors will be available for appointments between 4.00 and 6.30pm. These can be booked via School Cloud and instructions for booking appointments are in the attached document. The event will be held in the Jon Egging hall and this can be accessed via the main Glenmoor reception through the blue gates.

We would like your child to have the chance to show you how confident they have become around the site and share with you a little of their new school life at the academies so during the evening, there will be the opportunity for your child to take you on a self-guided tour following a set route. Please feel free to tour the school during the evening either before or after your tutor appointment. There will be members of the year 7 team, student leaders and senior staff on hand for any questions.

We are still very early on in the academic year therefore tutors do not have insight into subject specific performance. They will be able to discuss how well your child has settled into the school year and give you the chance to raise any concerns about their wellbeing. If you do have any subject specific concerns, please contact the class teacher for that subject. Later in the academic year, there will be a subject evening to discuss your child's progress with each of their teachers.

We look forward to seeing you.

Yours sincerely,

Megan Taylor
