High Achievement – High Standards

Sanctions linked to incorrect uniform:

In rare cases where the presentation of a student's uniform is not in line with the high standards expected, students will be isolated until correct uniform is worn. Parents will be contacted, and students released from isolation if correct uniform is then provided.

With respect to hair styles and colour, students will remain isolated until the issue is resolved.

Please note that staff will not make special dispensations for the cases highlighted above and it is the responsibility of the parent/carer and the student to ensure that such situations are avoided.

Parent notes/medical notes for uniform:

If a student has a medical reason for the need to wear modified footwear, a medical note supplied by a doctor or medical practitioner must be provided.

It is important that all parents/carers should realise the necessity of marking all garments and possessions clearly with their son's name.
